

**NOTICE TO ALL PROPERTY OWNERS
AND/OR CONTRACTORS
PLANNING TO DEVELOP/CONSTRUCT IN SCHUYLKILL
TOWNSHIP**

The township's consulting engineer is required to review submitted plans and calculations.

The applicant is responsible for any costs incurred for reviews and inspections made by the engineer. Furthermore, the costs of any meeting held with our consulting engineer as well as phone conversations at the request of an applicant and/or his architect or engineer also must be borne by the applicant. Bills will be mailed for all reimbursable fees, at the current rates.

Before making the first contact with our engineer, the applicant must sign this notice acknowledging that he/she is aware of the costs to be paid by him/her.

I have read this notice, and I am aware
of the costs to be paid by me to the Township
