## EMERGENCY FORCE MAIN REPAIR AT PAWLING AND FERRY ROADS

The Valley Forge Sewer Authority is planning overnight lane restrictions on **Pawling Road** for emergency force main repairs.

The repairs are now scheduled to begin on **Thursday September 19, 2019** and are expected to be completed on Sunday, **September 22, 2019**, weather and conditions permitting. Work will take place overnight from **8:00 p.m. to 6:00 a.m.** through Friday and, if needed, will extend into the day on Saturday and Sunday. The work area is on **Pawling Road from Ferry Lane to the train trestle bridge**. Crews will restrict travel to one lane during the excavation and repairs. Flaggers will be in place. The repairs are being done under an emergency PennDOT permit.

[PAWLING ROAD WORK AREA MAP \(09/19/19 - 09/22/19\)](#)

Motorists are advised to allow extra time when traveling through this work area because backups and delays may occur. All scheduled activities are weather dependent.

Contact the Valley Forge Sewer Authority for additional information.
