
STEPS FOR RECORDING A LAND DEVELOPMENT PLAN

- ❖ 1. All sets of plans to the **Chester County Planning Commission** located at:

Government Services Building 601 Westtown Road Suite 270 West Chester, PA 19380	(610) 344-6285 Hours: 8:30 a.m. – 4:30 p.m.
--	--

Chester County Planning Commission will sign off on their portion of the plans and retain one set of plans.

- 2. Remaining plan sets to the **Chester County Recorder of Deeds** office located at:

313 West Market Street P.O. Box 2748 Suite 3302 West Chester, PA 19380	(610) 344-6330 Hours: 8:30 a.m. – 4:30 p.m.
---	--

All the plans and all the pages of the plan, the land development and escrow agreement and the stormwater BMP operations & maintenance agreement (including the copies) should be date stamped at the Recorder's Office. The Recorder of Deeds office will keep a copy of the agreements and three (3) sets of the plans. Make sure to get a receipt for the filing fee. Fees vary. No personal checks are accepted. Bring a self-addressed stamp envelope that will fit the plan.

- 3. *If needed due to on-lot sewage and well facilities, the following needs to be done:*

Two sets of plans need to go to the **Chester County Health Department** located at:

Government Services Building 601 Westtown Road Suite 288 West Chester, PA 19382	(610) 344-6225 Hours: 8:30 a.m. – 4:30 p.m.
--	--

Plans will not be accepted at the Health Department unless stamped by the Recorder of Deeds Office.

- 4. Finally, return to the Township **date-stamped plans** and **one date-stamped copy each of the land development agreement, escrow agreement and the stormwater BMP operations & maintenance agreement** from the Recorder of Deeds office. The Township office will make sure that the Township Code Enforcement Officer (1 set) and the Township Engineer (2 sets) receive their plans sets and copies of documents. The Township requires one (1) full set of plans and documents.

Before ANY site work or construction is started, recorded plans and documents must be returned to the Township and a pre-construction meeting must be held. Contact the Township Engineer, John Sartor, P.E., of Gilmore & Associates at (610) 489-4949 to schedule the pre-construction meeting.

- ❖ Steps must be followed in the order as they are presented here. The number of plans required by Chester County agencies is subject to change. Please call each County office to verify.
