GUIDELINES FOR PUBLIC PARTICIPATION AT BOARD OF SUPERVISORS MEETINGS

The public is welcome at Board meetings. Using the following guidelines, the public may address the Board at Board meetings. To address the Board, a person should contact the Township Manager at least seven (7) business days prior to the Board meeting and request to be placed on the Board of Supervisors' agenda of the meeting at which he/she wishes to speak. It is respectfully requested that individuals not make repetitive appearances before the Board with the same issues, and that in the interest of time the Board must spend on Township business that if a group wishes to appear before the Board, it is requested that they select a spokesperson to present their concern to the Board.

The Board of Supervisors of Schuylkill Township meets the first Wednesday of each month at 7:30 p.m. in the Schuylkill Township Municipal Building.
